CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Wants To Sell Beer At The Tiny Diner

Ralph Tillman, owner and operator of the Tiny Diner, 2815 East Main St., has taken action to obtain a writ of mandamus from the circuit court compelling the City of Pahokee to issue a beer license to his restaurant, according to a report by City Attorney Ralph J. Johnson at the meeting of the City Council Monday night. Johnson told the Council that he has filed a motion to have the action quashed and if this is not successful city officials, including the chief of police, councilmen and city clerk, will be summoned before Judge J. R. Knott of the circuit court Thursday to tell why Tillman's application for a license to sell beer in the Tiny Diner was turned down.

In the past the City Council on several occasions, three times in the past few months, has refused to approve applications for a beer license for this restaurant, the principal reason given for the refusal was that the Tiny Diner was a popular place for teenage youth and as such was not the proper place to serve alcoholic beverages.

Attorney Johnson was instructed to contact the Internal Improvement Board requesting that the board take immediate action in dedicating to the City of Pahokee for public use approximately .55 acres of state-owned land adjoining the city dump, which has been promised by the board and which the city needs for immediate use.

Mrs. Paul Sasser, Mrs. I. M. Lair and Mrs. Richard Tillis, representing the Pahokee Youth Center, appeared before the Council with a request that \$2,400 be included in

(continued on page 8)

Woman Auxiliary For Sheriff Dept.

Wives of Palm Beach County deputy sheriffs and other ladies connected with law enforcing agencies of the County met at the home of Mrs. Ted Temoczek in West Palm Beach to complete the organization of a Woman's Auxiliary under the sponsorship of the Sheriff's Department.

The purpose of the organization is to promote a closer relationship and a better understanding between the various communities of the County and the Sheriff's Department.

Officers elected were Mrs. Ted Wells, West Palm Beach, president; Mrs. Leo Wroten, Pahokee, vice president; Mrs. Jimmy McCants, West Palm Beach, second vice president; Mrs. Joe Bokenfuss, West Palm Beach, secretary, and Mrs. Maude Stein, West Palm Beach, treasurer.

Regular meetings are to be held the second Monday of each month, the next meeting to be held in the County Commissioners' Conference Room Sept. 12.

Those from the Glades who attended the organization meeting at Mrs. Temoczek's home were Mrs. Gibb Gross, Mrs. Lee Wroten and Mrs. Charlene Schultz, all of Pahokee; Mrs. Robert Griffin of Belle Glade and Mrs. Frank Prevatt of Bean City.

Insurance Study For Palm Beach Co.

The county commission this week decided to seek a consultant to determine if the board is over or under insured on fire protection for county buildings.

The decision came as a result of a suggestion from County Attorney Harry Johnston that an overall study be made of the county's insurance present coverage and its needs.

He also suggested the survey be conducted by "an expert who is not connected with any writing agency."

The board meantime voted to pay an additional \$3,000 premium to its present carrier for additional buildings added to its airport policy.

Flood Control Has Hurricane Fighter

A huge new hurricane fighter which will also aid in a water conservation program, has been added to the growing Central and Southern Florida Flood Control District system of canals, levees, water storage areas and control structures.

This is Pump Station No. 7, located in the Everglades some 29 miles west of Boca Raton, and straddles the North New River Canal on the Palm Beach-Broward County line, adjacent to State Road 25. Therefore, it is on the dividing line between the two vast marshes known as Water Conservation Areas Nos. 2 and 3.

The facility was transferred to the FCD by the U. S. Corps of Engineers, the designing and construction agency for the FCD Project.

It is capable of removing 3-4 inch of runoff per day from a 125 square mile area is a tributary to the North New River Canal, and discharge the surplus water from the canal into Conservation Area No. 2.

The FCD pump stations are among the largest of their kind in the world. Pump Station No. 7 has three 5-cycle O. P. Diesel type engines each capable of developing 895 horsepower. Therefore, at such times as all three big pumps are simultaneously in action, the facility will be operating at a total of 2,685 h. p. and the engines work at 720 r. p. m.

These three engines are each able to pump 830 cubic feet of water per second.

The new pump station cost \$2,169,000 and its construction was

(continued on page 8)

Squash Grows To Unusual Size

Water melons grow to good size. Pumpkins also get into the rating every now and then. But, squash in unusual size is something else. This week Howard Holman had the backseat of his car covered with one squash. He was showing it to friends and bragging about his green thumb. The squash—variety unknown—weighed 21 pounds and it did really cover the back seat of his car. You see, the car he drives is a foreign import and of the small variety.

Another Plant For P. B. Airport Spot

Palm Beach County Monday added another light industry to its growing family of commercial plants which are moving into Palm Beach International Airport.

The newest member of the family is Mal Tool and Engineering Co. of Manchester, Conn., a firm which manufactures aircraft parts and is a vendor to Pratt Whitney.

George Longtin, president of the firm, said the plant will employ about 50 skilled machinists and tool workers at the start of operations and will likely grow to a payroll of at least 100 employees.

He also predicted that with such plants as Pratt Whitney, RCA and Minneapolis Honeywell moving in to the area, Palm Beach County will probably become the home of many more industrial firms such as his.

The county commission authorized that an airport lease for the new firm be signed as soon as possible in order that the new operation can get its production underway.

In another airport action Monday, the commission adopted a revised schedule of rental rates for airport facilities which are designed to speed up negotiations pertaining to lease and rental agreements. The board previously followed a rental structure based on appraised value of airport facilities. The new rate structure calls for rentals on a square foot basis.

Retread Jobs Bids On 2 Glades Roads

Bids will be received in Tallahassee next Tuesday on retreading with plant mix asphalt two pieces of roads in the Glades area, according to County Commission Chairman Paul Rardin who plans to attend the contract letting.

In this year's budget, Chairman Rardin had retreading of five miles of Connors Highway east from Canal Point set up. He also had retreading of SR15—the old Belle Glade-Pahokee road—placed in the same budget. It is on these two projects that the State Road Department will receive bids next Tuesday.

Public Hearing On Price Of Sugar

The United States Department of Agriculture today announced that a public hearing on prices for the 1960 crop of Florida sugar cane will be held September 1, 1960 in the Sugarland Park Auditorium, Clewiston, Florida, beginning at 10:00 A. M.

To qualify for payments under the Sugar Act of 1949, as amended producers who process sugar cane grown by other producers must pay prices for it determined as "fair and reasonable" by the Secretary.

To obtain best possible information, USDA requests that all interested persons appear at the hearing to present views and pertinent data.

1960 Sugar Quotas Not Necessary

The Department of Agriculture today announced that allotment of the 1960 quotas for the Domestic Beet Sugar Area and the Mainland Cane Sugar Area will not be necessary.

The present quotas of 2,514,945 short tons, raw value, for the Domestic Beet Sugar Area and 773,873 tons for the mainland cane sugar area are adequate to meet the expected marketing needs of all processors.

Under these circumstances allotments are not necessary to assure processors equitable marketing opportunities and to assure orderly marketing of sugar within the quotas established for these areas, USDA said.

New Health Bldg. To Be Dedicated

A dedication committee was named this week to start making plans for the official opening of Palm Beach County's new health building now nearing completion in West Palm Beach.

County Commission Chairman Paul Rardin will head the group. Serving with him will be County Commissioner Lake Lytal, Dr. C. L. Brumback, county health department director and Dr. W. E. VanLandingham, county physician, soon to retire, who was named an honorary member of the committee.

Chairman Rardin said Dr. Wilson Sowder, director of the State Health Department, will attend. Tentative date for the dedication was set for mid November.

In other actions the commission: Voted \$150 for expenses of the Florida Press Association convention to be held at Riviera Beach.

Adopted a resolution of memorial in the death August 21 of Mrs. Frances Leech Boyd, wife of former county engineer J. M. (Jake) Boyd.

Received resolution from the City of Boynton Beach calling for completion of U. S. Highway 1 improvements in that city and for widening State Road 304 in that community. Commissioner Ben Sundy said bids on U. S. No. 1 are scheduled to be received in November and that the 304 project is already in the road department budget.

The board voted to ask the State Turnpike Authority to officially name a new interchange in the south end of the bounty as the Boca Raton interchange.

Pahokee Schools Ready For Opening

The hiring of Fred Smith of Kentucky and Ora Smith of Indiana as new members of the Pahokee Junior High faculty makes the teaching staff of both the senior and junior high schools complete for the new school year except for an industrial arts instructor, according to Principal Brooks Henderson. The two new teachers replace Herman Close and Carney Wilder who were transferred to East Coast schools. It is expected a new industrial arts teacher will be appointed to fill the vacancy left by the resignation of Walter T. Lowe by the time school opens, Mr. Henderson said.

The outstanding improvement in the school's physical equipment during the summer was the completion of a new industrial arts building by Wiley Tillis, Pahokee contractor. This building is located on the west side of the campus next to the agricultural building. Another improvement has been the remodeling of the interior of the main building to include a conference room for the Student Guidance Department which was established during the past year under the direction of Vance Denton.

Faculty members began their active duties for the new school year Wednesday, of this week with attendance at a series of pre-school planning conferences, some to be held at the local school and others out of town. The registration of both regular and new students will take place Thursday, Sept. 1, from 8:30 a. m. to 12 noon, and the first day of school with fulltime classroom sessions will be Tuesday, Sept. 6.

Lions Talk About School Bus Ruling

The ruling of the County School Board that a child living less than two miles from school will not be permitted to use school buses as a means of transportation to and from school was pondered by Pahokee Lions in a roundtable discussion of current topics conducted by Mayor Duncan Padgett at last week's luncheon meeting of the club. Most of the Lions were of the opinion this ruling may be all right for children living in urban districts served by public buses but could work a hardship on children who will have to walk up to two miles to school on highways carrying heavy vehicular traffic in rural districts such as the Glades area. In other topics discussed Brooks Henderson, principal of Pahokee High School, told of final preparations for the opening of local schools for the new school year, Manning I. Keen spoke on the proposed housing project for Pahokee's southeast residential section, and Mayor Padgett told of his trip to Tallahassee in the interest of local farmers, conferring with state officials in regard to the sale or lease of the Pelican Bay land formerly farmed by Richlands, Inc. President B. R. Mosley presided.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

In response to their letter of commendation for his handling of the National Democratic convention, members of the county commission this week had a warm note of appreciation from Gov. LeRoy Collins.

In his letter to the commission, Gov. Collins noted that he had returned to Florida from the convention with "well worn patience and a well worn gavel."

County Commissioners sort of gritted their teeth Monday when they found out it was going to cost \$900 to remove a tree from some of the county's property.

The tree in question is a huge Banyan tree which has spread out to gigantic proportions across a piece of land the county has acquired at Lake Worth.

County Engineer Steve Middle-

ton, who two weeks ago was told to get rid of the tree, advised the board this week that the lowest price he could get was \$900 through informal bids. Some of the prices asked ran upwards of \$2,300.

A new right of way ruling by the State Road Department has caused the county commission to change its plans for procurement of lands needed for improvement of U. S. No. 1 and Military Trail.

The state, under the new ruling, will not call for bids until it has right of way commitments at hand. In the past the state usually went ahead and called for bids on the assurance that right of way would be available. The commission Monday called for immediate "orders of taking" on both projects.

Miss Julia Cowart Weds J. E. Tamney, Jr.

Miss Julia Louise Cowart, daughter of Mr. and Mrs. E. Lewis Cowart of Canal Point, became the bride of John Edward Tamney, Jr., son of Mr. and Mrs. John E. Tamney, Sr., of North Lockwood, Chicago, Ill., in a double-ring ceremony at St. Ann's Church, West Palm Beach, Friday, Aug. 19, at 7 p. m., with relatives and close friends of the couple attending.

Given in marriage by her father, the bride wore a white satin gown of ballerina length, fashioned with sweetheart neckline and long sleeves pointed at the wrist. Her elbow-length veil of French illusion was attached to a tiny hat encrusted with seed pearls. She carried an old-fashioned bouquet of white carnations.

Miss Dorothy Buckley of West Palm Beach, bridesmaid, wore a light blue two-piece suit with flower hat and gloves to match and a corsage of white carnations.

Peter Meister of West Palm Beach served as Mr. Tamney's best man.

Mrs. Cowart chose for her daughter's wedding a street-length dress of brown silk with beige accessories.

After a wedding trip in Florida Mr. and Mrs. Tamney will make their home at 3815 Pinewood Ave., West Palm Beach.

The bride is a graduate of Pahokee High School and attended Florida State University, Tallahassee. She is now employed in the computing department of the research and experimental division of the Pratt and Whitney Aircraft plant, West Palm Beach.

The bridegroom graduated from high school in Chicago and is also a graduate of Illinois Institute of Technology. He is employed at the Pratt and Whitney plant as a mechanical engineer.

Family Reunion Held At Byrd Home

The home of Mr. and Mrs. G. W. Byrd, 118 Annona Ave., was the scene of a dinner and family reunion. Relatives attending from out of town included the son and daughter-in-law of Mr. and Mrs. Byrd, Mr. and Mrs. G. W. Byrd, Jr., and children, Claudia and George, Wantagh, N. Y.; their sons-in-law and daughters; Senator and Mrs. C. W. Mapoles and children, Cam and Webb, of Milton, Fla., Mr. and Mrs. K. C. Mock and children, Terry and Bonnie of West Palm Beach, and Mr. and Mrs. Lynn Elarbee and son, Steve, of Tampa; also their grandson, Byrd Mapoles and family of Milton.

CARD OF THANKS

I wish to take this opportunity to thank my many friends and neighbors for their thoughtfulness and kindness during my illness and operation in a Chicago hospital. Each and every act of kindness will long be remembered and my wife and I shall ever be grateful. Again, thanks a million.

L. V. McClelland.

CARD OF THANKS

For the cards, flowers, prayers and many other acts and expressions of kindness and sympathy extended to us during the illness and death of our loved one, Beatrice Crews Stone, we thank you from the depths of our hearts. May God bless all of you.

Arthur C. Stone.

Mr. and Mrs. R. J. Crews
Mr. and Mrs. W. M.
Crews and family.

Mr. and Mrs. Jack Wilson have as guests Mr. and Mrs. George Schmidt and children of Tampa. They also had as guests Mr. and Mrs. Stewart May and family of Danville, N. Y., and Mr. and Mrs. Don Hyde and children of Deland.

Births

Mr. and Mrs. Fred Moore (Gaye Schoepel) of Miami announce the birth of a son, Dan William, at the Everglades Memorial Hospital, Aug. 21.

Mr. and Mrs. Milton Cooper (Doverse Jenkins) of Belle Glade announce the birth of a daughter, Annie Mary, at the Everglades Memorial Hospital, Aug. 21.

Mr. and Mrs. David Hendry (Eva Mae Sargent) of Belle Glade announce the birth of a son, David Earl, at the Everglades Memorial Hospital, Aug. 22.

Mr. and Mrs. Jerrold Hayes of Pahokee, (Janet Upthegrove) announce the arrival of a daughter at Everglades Memorial Hospital on August 25. The young lady has been named Debra Doreen.

Mr. and Mrs. Ronnie Elliott of Winter Haven announce the birth of a son, Ronald Benton, Jr., at the Winter Haven Hospital, Aug. 18. Mr. and Mrs. B. Elliott are the paternal grandparents.

Mr. and Mrs. William Moore (Gaye Schoepel) of Miami announce the arrival of a son at Everglades Memorial hospital on Monday of this week.

TO VISIT IN VIRGINIA

Mr. and Mrs. Frank M. Wilson and son, Max, left the first of the week for a visit with their son-in-law and daughter, Mr. and Mrs. Don Adams, at Alexandria, Va., and son and daughter-in-law, Mr. and Mrs. Dennis Wilson, at Troy, Ohio, and other relatives in Iowa and Missouri. Mr. Wilson and Max will be gone three weeks. Mrs. Wilson will remain in Virginia for an extended visit with her daughter.

ENTERTAIN WEDDING PARTY

Col. and Mrs. W. S. Evans entertained Sunday with a luncheon for the persons who participated in the Stubbs-McIntosh wedding. Pink and white hibiscus and carissa were used in the decorations. They were assisted by their daughter, Mrs. Frank Handley of Sebring.

Mr. and Mrs. Joe Cherry were visitors in Miami over the weekend.

Among the patients at the Everglades Memorial Hospital Wednesday were Mrs. Annie McMillan, Mrs. Alice Moran, Mrs. Gaye Moore, Mrs. Doverse Cooper, Mrs. Jean Bonnell, Mrs. Eva Mae Hendry and Floyd Mullis.

SALES and SERVICE

Heating — Air Conditioning — Appliances

Rural housewives, too, can enjoy "EXTRA HOURS"

Electricity does all kinds of chores on the farm. It is revolutionizing the farm kitchen, too. Count the time spent in dishwashing — a thousand or more meals a year. Then realize the hundreds of added "EXTRA HOURS" that can be yours with an Electric Dishwasher. "EXTRA HOURS" for more interesting things... for family, friends and relaxation.

Without pre-rinsing by hand, an Electric Dishwasher washes-rinses-dries all dishes, glasses, silver, pots and pans... cleaner and brighter. What's more — your friend, Reddy Kilowatt, will wash and dry

dishes for 8 people for just about a penny's pay. Because... in the home, as on the farm, electricity is the biggest bargain in your budget.

See the built-in and portable Electric Dishwashers at your electric appliance dealer and plumbing contractor.

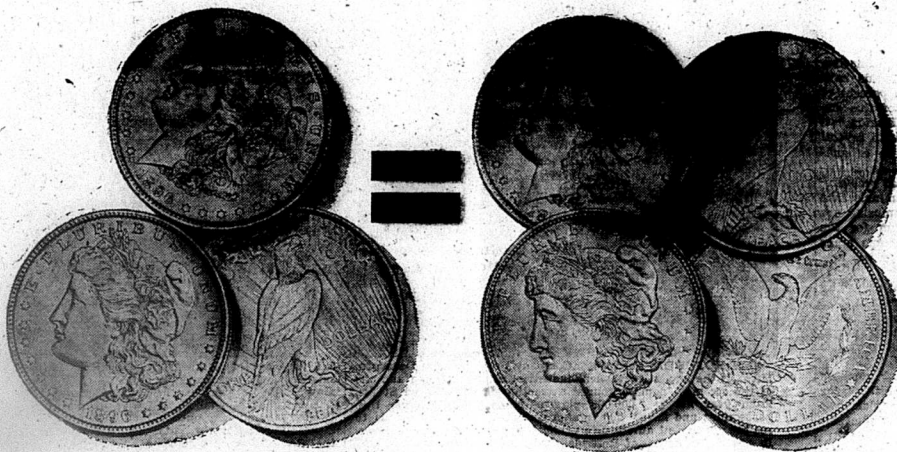

PIPING-HOT WATER always on tap for all your farm and home needs, when you have a flame-free, flame-free ELECTRIC WATER HEATER.

There's no Match for Electric Living

FLORIDA POWER & LIGHT COMPANY
HELPING BUILD FLORIDA

Here's what the new $3\frac{3}{4}\%$ interest rate on U.S. Savings Bonds means to you:

\$3=\$4 *fourteen months faster than before*

The Bonds you own are better than ever, too

The new $3\frac{3}{4}\%$ rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra $\frac{1}{2}\%$ from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

More advantages of U.S. Savings Bonds

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

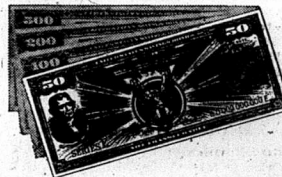

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

You save more than money

Anaplasmosis Still Is Major Livestock Disease In Florida

GAINESVILLE — Anaplasmosis continues to be one of the nation's major livestock disease problems, according to Dr. W. R. Pritchard, head of the veterinary science department with the Florida Agricultural Experiment Station.

In the July issue of the Sunshine State Agricultural Research Report, published by the Experiment Station, Dr. Pritchard says Florida livestock losses to this disease are estimated at \$1,500,000 a year.

According to the veterinarian, numerous surveys in Florida have revealed that about 30 percent of all cattle are carriers of this disease. Each year many Florida cattlemen lose from a few to several hundred animals because of anaplasmosis. A heavy loss also is sustained from animals that recover.

Dr. Pritchard says animals that recover from anaplasmosis are carriers of the infection for the rest of their lives. In some areas of Florida 65 percent of the animals now are carriers.

Anaplasmosis does not spread by itself, but must be transferred from a sick or carrier animal to a susceptible one by mechanical means. Man and insects are responsible for this spread.

Researchers agreed that ranchers themselves are responsible for much of the spread of anaplasmosis because of failure to disinfect instruments.

Dr. Pritchard has several suggestions for the prevention of the disease. "Do not buy animals that come from anaplasmosis areas. Be sure neither you nor anyone else mechanically spreads the disease with contaminated surgical instruments. Control populations of houseflies, ticks and mosquitoes."

He adds that workers at the University of Florida and the University of Illinois report work on an anaplasmosis vaccine is progressing. Field tests conducted last year did not give conclusive results, but additional studies are being conducted.

Apply Weed Killers Properly To Lawns

GAINESVILLE — Severe damage or complete killing of turf can result from over application of herbicides for weed control, warns a University of Florida lawn specialist.

Dr. G. C. Horn, associate turf technologist with the Florida Agricultural Experiment Station, says many people assume that if a little will do a good job, more will do much better.

"This rule has no place in chemical weed control," says the specialist. "The recommended rates are critical and to exceed them will result in more trouble than that caused by the weeds."

Before treating with a herbicide it is best to control the insects and diseases and then fertilize the grass. Water the grass and allow two weeks for the fertilizer to be absorbed by the weeds and grass.

Weeds that are actively growing are more easily killed by herbicides. Dr. Horn warns never treat a turf that is suffering from injury due to insects, diseases, moisture stress or lack of fertilizer.

"If used according to recommendations," says the specialist, "results from herbicides can be rewarding with little effort and money involved."

ENJOY THE GULF

The Gulf waters at Sarasota Beach were enjoyed over the weekend by Mr. and Mrs. Lester Hand and daughter, Linda, Mark and Kent Wetherington, Gordon Hand, Mrs. Fred Hand and daughter, Miss Billie Hand, and granddaughters, Alice, Iva, Susan and Donna.

Mr. and Mrs. E. F. Hollon, accompanied by their house guests, Mr. and Mrs. Bill Toler of Richmond, Va., spent Sunday in Miami sightseeing. They were also accompanied by Mrs. James Miller who visited her daughter, Mrs. Lou Lombard, and family there.

A Favorite American Family Tourist Attraction

THE ROTUNDA, Ford Motor Company's showplace in Dearborn, Mich., is the largest permanent industrial exhibit building and one of the six most popular tourist attractions in the United States. Each year nearly 2,000,000 persons from the 50 states, U.S. possessions and nearly 100 foreign countries visit the Rotunda to see the permanent automotive exhibits and special seasonal shows. In any year, themes of Rotunda shows may include gardens, art, vacation and travel, automotive manufacturing and engineering,

and various other subjects. Adjoining the Rotunda is the world's smallest auto test track, a one-mile circuit over which visitors may ride in Ford products. Shown here are portions of three 1960 Rotunda features: an Hawaiian scene honoring the newest state (left); a miniature auto assembly line (top); and the annual Christmas Fantasy (right). There is no admission charge at the Rotunda or for tours of Ford's vast Rouge plant which originate at the Rotunda.

Circle Meeting Is Held On August 18

The August meeting of the Hannah Scoggins-Annie Jones Circle of the Canal Point Baptist Women's Missionary Union met at the home of Mrs. H. H. Rodgers at 8 PM on August 18, 1969.

Mrs. Charles Maxson, Circle chairman, presided over the business session and announced that the following members would serve on the nominating committee to select officers for the coming year: Mrs. D. P. Hughes, Mrs. H. C. Clark and Mrs. A. T. Holt.

Mrs. J. S. Atkins was in charge of the program and gave a brief talk on "Sharing Possessions," which is the circle unit theme and for the August topic: "Recognizing His Ownership." Mrs. D. P. Hughes gave the Devotional.

Mrs. J. S. Atkins then introduced the guest speaker, Mrs. C. E. Gustafson, foreign missionary to Laos Indo-China. Mrs. Gustafson showed slides of her mission work in Laos and spoke on the customs of that country.

Mrs. Gustafson is the daughter of Mr. and Mrs. J. D. Latham of Canal Point and she and her husband, Rev. C. E. Gustafson have served as missionaries in Laos for 13 years. They are home on furlough for a year, possibly to return to Laos next August. After their visit in Canal Point they plan to go to Tacoma, Ga. The September meeting will be at the home of Mrs. Charles Maxson with Mrs. A. T. Holt in charge of the program.

The use of aluminum cans to package frozen orange concentrate and other citrus products will be put into widespread use next season at Minute Maid. Some 500 million aluminum cans will be used.

The total number of licensed drivers in Florida is expected to approach two and three quarters million this year, says the North Florida AAA Division.

Chairman Thomas Manuel says the State Turnpike Commission is trying to file a petition by Aug. 15 to validate the bonds to build the 97-mile extension of the state turnpike to Orlando.

Osceola, chief of the Seminole Indians, recently signed a treaty allowing the 2nd Armored Rifle Battalion of the Florida National Guard to use "Seminole" as its nickname.

Personal

Mrs. Pearl Agner has returned from a two-months' visit with her sons and families in Chicago, Ill., and Indianapolis, Ind., and her daughter, Mrs. Buster Kilpatrick, and family at Christmas, Fla.

Mr. and Mrs. A. R. Harrington motored to Leesburg to bring back their daughter, Miss Janette Harrington, who had spent a week at the Methodist Camp there attending the Senior MYF Assembly.

Mr. and Mrs. Grady Echols and daughter, Teryl, spent Sunday in Fort Myers with relatives. Teryl remained for an extended visit.

Mrs. R. J. Maxson is able to be up and around again after being confined to her home with an infected foot.

Mrs. R. T. Smith and Mrs. Paul Rardin attended a tea at the home of Mrs. S. M. McAllister in Belle Glade Wednesday, honoring Mrs. Wendell Carpenter of Pensacola.

Reubin J. Crews has gone to Orlando to be with his brother, Dr. H. K. Crews, who is ill. While away his wife is visiting their son and daughter-in-law, Mr. and Mrs. W. M. (Bill) Crews, and family in Fort Lauderdale.

A. E. Early and his uncles, R. A. and J. A. Bushong of Canal Point, are spending two weeks with relatives in Georgia, Alabama and Jacksonville.

Mr. and Mrs. J. H. Strayer have as guests this week Mr. and Mrs. Otis Watkins of Rustberg, Va., Mrs. Strayer and Mrs. Watkins, close friends while attending school in Brunswick, Ga., had until this month not seen each other for 24 years.

Fire Chief and Mrs. Marvin Levins and family have returned from a three-weeks' vacation spent at Salerno Beach.

OFF TO MEXICO

Kenneth McIntosh accompanied by Gille Fernandez of Tampa, a member of the Florida State University faculty, left Monday for a two-weeks' tour of Mexico.

The Florida Citrus Commission says that citrus trees put to sleep by a new chemical may save the day for growers in the event of undue cold in the coming winter.

State Inspection Halts Bad Foods

TALLAHASSEE — Inspection services of the Department of Agriculture were responsible for preventing the sale of more than one-third of a million pounds of illegal or impure food to the consumers of Florida during the past 12 months, according to Commissioner Lee Thompson.

The agricultural official stated that the food seizures were made in compliance with various rules and regulations of the Department.

During the fiscal year 1959-60, 260,306 pounds of food, 7,330 pound of poultry and 278 dozens of eggs were destroyed. In the same period, 95,966 pounds of food, 12,861 pounds of poultry and 85,410 dozens of eggs were stop-sold.

(Editors: The word "stop-sold" indicates that the item could not be sold as is. Depending upon what's wrong, the product may be brought back up to standard and sold. The label may be corrected to eliminate false statements and the products sold for a different purpose than first intended. The item may be confiscated by the State and given to charitable or State institutions. Impure or adulterated food may be destroyed or used for animal feed if suitable.)

Thompson said the department personnel made periodic inspections of 9,661 retail and wholesale food stores, 2,355 wholesale poultry and egg dealers and 1,391 plants in the State concerned with the production of foodstuffs, such as bottlers, canners, meat and seafood processors, grist mills and syrup plants.

Some of the major items among those destroyed or stop-sold last year included 141,617 pounds of meat and meat products, 77,314 pounds of canned tomatoes, 12,816 cans of fruits and vegetables other than tomatoes, 48,532 bottles of beverages, more than 68,000 pounds of flour, sugar, grains, mixes and meal, and approximately 55,000 pounds of fresh vegetables.

The Commissioner reported that one of the major programs of the food inspection and testing activities last year was that of checking vegetables for the presence of pesticide residues.

"A mobile laboratory was sent to the major vegetable producing areas and made tests at the field level," stated Thompson. "Samples representing many hundreds of carloads of vegetables were tested, and in nearly all cases were found

Ag Group To Pick New Board For Year

Nominees for the Agricultural Stabilization and Conservation Board in three Palm Beach County areas were announced this week. Nominations closed August 22 for the election which ends September 8.

Names for the Belle Glade-Chosen-South Bay district are: J. K. Baker, A. B. DeGraw, Otis Hayes, W. S. Ingram, P. C. Kirchman, J. L. Murphy, Fritz Stein, Jr., George Wedgworth, Billy Rogers, and Henry Earwood.

Selected for the Pahokee-Canal Point section are: Louis Davis, Milton Douglas, Lewis Friend, C. Ralph Grimes, J. L. McCall, Claud E. Morgan, Ray B. Raulerson, W. H. Webb, Jr., Charles D. Wilkinson, Bruce Bittling, For the Coastal area, J. Allison Banks, Gerald Lamb, Dick I. McMurray, William Mazzoni, Donald Bell, Homer Bourne, H. C. Hunt, Ted Winsberg, Jim Melar, and Russ Kiser.

Farmers in each of the communities will vote for five candidates. Those receiving the most votes will be elected chairman, vice-chairmen, regular members, first and second alternates in that order. Any farmer may be nominated by petition, each of which must bear the signature of 10 farmers in the community. The petitions must be in the ASC office, 531 North Military Trail, West Palm Beach, by August 22, 1969.

Names of candidates will be placed on ballots and mailed to voting farmers not later than August 26. If you do not receive a ballot, you may pick up one at the ASC office in West Palm Beach or Belle Glade. Ballots are to be returned to the ASC office in West Palm Beach not later than September 8, 1969.

ATTEND FUNERAL

Among those from out of town who attended funeral services for Mrs. Beatrice Crews Stone, at the Pahokee First Baptist Church Friday were Mr. and Mrs. M. M. Overstreet and Dr. and Mrs. R. J. Denning, all of Kissimmee, Mrs. Harold Knight of Vero Beach and Mr. and Mrs. Zack Crews of Orlando.

to be free of contamination."

An expansion of the residue testing program is planned for next fall with a second and larger mobile unit being added for the vegetable analysis and another unit for routine milk analyses and testing of pesticide residues in milk.

James H. Wilson has returned home from Spartanburg, S. C., where he spent several weeks working in the peach deal in that area.

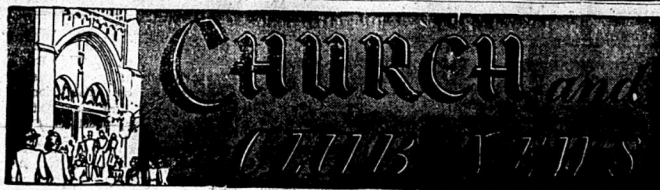

The third smallest county in Florida got its name from the Seminole Indians whose fierce attacks against the white settlers caused the establishment of Fort Mellon in 1837. In Sanford, the County Seat, a monument now stands to commemorate this federal garrison. Before the "Big Freeze" in '39, citrus was its principal source of income. Today farming operations bring in a yearly income of over \$13,000,000.00—with Sanford Naval Air Station and diversified industry as economical aids. North Orlando is its newest incorporated city.

In progressive Seminole County, and throughout Florida, the United States Brewers Foundation works constantly to maintain the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of the people of Florida, the Foundation stresses close cooperation with the Armed Forces, law enforcement and governing officials.

Christian Science Group Of Canal Point

The vital significance of the life and works of the master Christian will be the central topic of the Lesson-Sermon entitled "Christ Jesus" which will be read at all Christian Science churches Sunday. Scriptural selections will include the following from Luke's gospel (4:40-41): "Now when the sun was setting, all they that had any sick with divers diseases brought them unto him; and he laid his hands on every one of them, and healed them. And devils also came out of many, crying out, and saying, Thou art Christ the Son of God. And he rebuking them suffered them not to speak: for they knew that he was Christ."

"A correlative passage to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy includes the following (332:11-15): "The Christ is incorporeal, spiritual,—yea, the divine image and likeness, dispelling the illusions of the senses: the Way, the Truth, and the Life, healing the sick and casting out evils, destroying sin, disease, and death."

Evening Classes At Junior College

Dates for final registration in evening classes at Palm Beach Junior College are close at hand. Wednesday and Thursday, August 31 and September 1 from 7:00 to 9:00 p. m. are the final dates for registering.

Classes are scheduled to begin on Tuesday, September 6. Dr. Graham, Director of the Evening Division, indicates that there may be openings in certain classes and late registrations may be accepted until Friday, September 16, if space permits. Everyone interested in taking work in the evening division is urged to enroll on August 31 and September 1 to assure himself that openings will be available in the courses of his choice and to avoid a late registration fee.

If you wish to have a copy of the Evening Bulletin, write to the Director of the Evening Division, Palm Beach Junior College, 400 S. Congress Avenue, Lake Worth, Florida, or telephone Justice 2-5301.

Men's Bible Class In Monthly Meeting

The Men's Bible Class of the Canal Point Baptist Church held its monthly business and social meeting in the Community House Tuesday night, 7 o'clock, with the president, D. P. Hughes, presiding. After the bountiful supper, the business session was held. Among other items of business, the Nominating Committee made its report, which was accepted. The following were elected as Officers of the Class: W. W. White, Teacher, with James Gibson the associate Teacher. Russell Maxson, President. Charles Maxson, Vice-President. E. C. Cowart, Secretary and Treasurer.

LIONS HEAR HOWARD

W. D. (Bill) Howard, line coach for the Pahokee High School Blue Devil football team, was guest speaker at the luncheon meeting of the Pahokee Lions Club. Introduced by Web Fell, head coach of the Blue Devils, he told how football, if played with the right spirit, can be of great value to a youth in character building and teaching team work, discipline, physical protection and the like. President B. R. Mosley presided at the business.

Miss Ruth Annette McIntosh Becomes Bride Of Sidney Stubbs, Sunday, Aug. 21

Miss Ruth Annette McIntosh, daughter of Mr. and Mrs. Harry Mason McIntosh of Pahokee, became the bride of Sidney Alton Stubbs, Jr., son of Mr. and Mrs. Sidney Alton Stubbs, Sr., of Bradenton and Houston, Texas, in double-ring, candlelight ceremony held in the First Methodist Church at Pahokee Sunday afternoon at 4:30 o'clock.

Officiating were the Rev. Austin E. Holladay of the Wesley Foundation, Tallahassee, and the Rev. T. C. O'Steen, pastor. In front of a bank of arcea palms were arrangements of white gladioli, chrysanthemums and tube roses. Focal point of the decorations were a cross and candlesticks on the communion table, the candlesticks being a gift to the church in memory of the bride's grandmother, Lady I. Mathis. Two graduated candelabra, each bearing seven lighted tapers, slanted toward the cross.

Lamar Matthews of Bradenton, soloist, sang "Because" and "Whither Thou Goest," accompanied at the organ by Miss Jill McIlwain of Pahokee, who also played the traditional wedding marches.

Given in marriage by her father, the bride was lovely in a formal gown of white tissue taffeta encircled with wide bands of Alecon lace on net, fashioned with a basque waist, sequin-trimmed scalloped neckline and short sleeves. Voluminous ruffles dramatized the back. An elbowlength veil of silk illusion was attached to a cap of lace. She carried a cascade of phalaenopsis orchids and stephanotis.

Mrs. William New of Miami, matron of honor, wore a street-length silk chiffon sheath in winter violet, featuring a satin midriff with satin roses and panels in the back. Her bouquet was of vanda orchids.

Bridesmaids were Miss Jeanine Mock of Pahokee, Miss Susan Fehberg of Lakeland and Miss Monty Gillman of Atlanta, Ga. Their dresses were identical in color and style to that of the matron "of honor. They also carried bouquets of vanda orchids.

As flower girl Ginny Corbin of Fort Myers, small cousin of the bride, wore a pink, lace-trimmed organly dress with pink headband and carried rose petals in a tiny basket.

Bobby Blalock of Bradenton served as Mr. Stubbs' best man. Ushers were Kenneth McIntosh, of Pahokee, brother of the bride; Tommy Stubbs of Bradenton, brother of the bridegroom; Tommy Rushmore and Ralph Russell, also of Bradenton; and John Beranek of Tampa.

Mrs. McIntosh chose for her daughter's wedding a street-length sheath dress of royal blue, lace over taffeta and her corsage was a white orchid with purple throat. Mrs. Stubbs, mother of the bridegroom, wore a beige silk sheath with brown accessories and a corsage of green cypripediums.

The bride's parents were hosts at their home at the reception following the ceremony. Assisting were Mrs. Paul Rardin, Mrs. W. S. Evans and Mrs. Harry Elarbee, all of Canal Point; Mrs. M. P. Stanley, Mrs. E. F. McIlwain, Mrs. Rupert Mock, Mrs. H. S. Barnes, Mrs. Leo Maxwell, Mrs. L. M. Collins, Mrs. J. T. Pickett, Sr., Mrs. E. L. Pope, Sr., Mrs. E. L. Pope, Jr., Mrs. L. L. Shirley, Miss Kay Friend, Miss Betty Echols, Miss Faith Sasser and Miss Julia Mathis, aunt of the bride, all of Pahokee; Miss Dot Ann Stubbs, and Miss Kathy Stubbs, sisters of the bridegroom; Bradenton; Mrs. Hugh G. Miller, III, Rockledge; Mrs. Peter Newton, Miami Springs; and Mrs. G. C. McLarty, West Palm Beach.

Among the out-of-town guests were Mr. and Mrs. Sidney A. Stubbs, Sr., of Bradenton and Houston, Texas; Tommy Stubbs; Miss Dot Ann Stubbs, Miss Kathy Stubbs, Ralph Russell, Mr. and Mrs. W. L. Russell, Bobby Blalock,

Mr. and Mrs. Dan Blalock, Tommy Rushmore, Miss Linda Kendrick, Miss Susan Summers, Miss Beth Sanders, Miss Connie Brown, Lamar Matthews, Mrs. Curtis Richards, Mrs. J. C. Sanders and Eddie Sanders, all of Bradenton; Dr. Alice Stubbs, Bryan, Texas; Dr. E. D. Witt and Miss Jean O'Brien, New Orleans, La.; Mrs. Kenneth McIntosh, Enterprise, Ala.; Mrs. Cecil Mount, Andalusia, Ala.; Mr. and Mrs. O. M. Corbin, Jr., Miss Ginny Corbin and William Corbin, all of Fort Myers; Mr. and Mrs. Robert Mathis, Jr., Gainesville; Miss Monty Gillman, Atlanta, Ga.; Miss Susan Fehberg, Mr. and Mrs. E. R. Fehberg, all of Lakeland; John Beranek, Tampa; Miss Linda Sherman, St. Petersburg; Miss Dovie Jean Kennedy and Gail Allen, Pensacola; Mrs. G. C. McLarty, Mrs. E. E. Bishop, Mr. and Mrs. Hal Forcher, Dr. Barney Blicher and Mrs. William Brandon, all of West Palm Beach; Mrs. Clyde A. Canipe, Riviera Beach; Mr. and Mrs. Hugh G. Miller, III, Rockledge; Mrs. W. P. Jernigan, Clewiston; Mrs. Frances Harlow, Lake Worth; Miss Ruth Dorsey, Lake Park; Mr. and Mrs. Tom Bernhardt, Mr. and Mrs. William New and Mrs. Fred Moore, all of Miami.

After a honeymoon in South Florida Mr. and Mrs. Stubbs will go to Amarillo, Texas, where they will be at home after Oct. 3. They expect after three months at Amarillo to go to Opeheim, Mont., where he will be stationed by the U. S. Air Force.

The bride received a BS degree in home economics from Florida State University, Tallahassee, in June and was a member of Delta Delta, Delta at the university. Mr. Stubbs also graduated this summer from FSU, where he was a member of Theta Chi, and received his commission as second lieutenant in the U. S. Air Force. Both were active in fraternity life, religious organizations and student government while attending FSU.

Surprise Party For Mrs. S. A. Nall

Mrs. Sam Scruggs and Mrs. Earl Maxson were hostesses at a surprise housewarming party given for Mrs. S. A. Nall at her new home in the Canal Point townsite. Mrs. Nall was assisted by her daughter, Mrs. James Gibson, with the opening and display of gifts. Refreshments were served by the hostesses to 40 guests.

PLATTIS HAVE COMPANY

The home of Mr. and Mrs. J. T. Platt in Pahokee was the scene of gaiety over the weekend when their two daughters, their husbands and two grand daughters visited. Mr. and Mrs. R. B. Chastain, Jr., and daughter, Debbie, of St. Petersburg and Lt. and Mrs. A. W. Schell and daughter, Connie, of Cocoa, were guests for the week end.

GUEST SPEAKER

Mike Dixon of the young people's department of the First Baptist Church, West Palm Beach, will be guest speaker, delivering the sermon at the morning worship service of the Pahokee First Baptist Church Sunday at 11 a. m. This will be the last day of the annual observance of Youth Week at the Pahokee Church and on this Sunday all offices of the church will be filled by members of the Young People's and Intermediate Departments.

DONALD KEPP IS BETTER FOLLOWING SURGERY

Donald B. Kepp of Canal Point who with Mrs. Kepp has been spending several weeks at Napples on vacation, is out of the Naples Community Hospital where he underwent surgery. Don is almost as good as new and will soon be back in Canal Point ready for another busy season in the vegetable business. They plan to return to their home here this weekend.

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1950.

Q: Does the new rate change the Bonds I bought before June 1, 1950?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

EVERGLADES FISHING AREA — An interior levee (L-35B) in the Central and Southern Florida Flood Control District's Water Conservation Area No. 2 is shown here under construction, just north of Andytown, in Broward County. It is part of a major overall program to complete this year, building of the big water storage area. It is designed to lessen seepage from the Conservation Area when its completed enclosure permits storage of a greater volume of water than is now possible. As an added benefit, the present prime fishing area at Andytown will be relocated here where the greater amount of water storage will improve the fishing. The two contractors pictured here are standing on an area the FCD has dedicated for a recreational center and boat ramp. —Official FCD Photo

Wants To Sell Beer—

(continued from page 1)
the new city budget to go toward paying the salary of a recreational director at the center. The Council agreed to place this sum in the tentative budget now being set up for the new fiscal year, starting Oct. 1.

An ordinance was passed setting the license fee for peddler of merchants who deliver the goods at the time of the sale at \$100 and the fee for those who deliver the merchandise some time after the sale is made at \$200.

A request by Frank Reeves of Okeechobee that the city rent to him a franchise for garbage collection service was taken under advisement for study and consideration.

It was voted to have a resolution drawn up requiring E. R. Crossman, owner of a lot on Larrimore Road, and G. C. McLarty, owner of two lots on Bacom Point Road, to keep their lots clean of recurring rank growths of weeds and grass, otherwise they will keep these lots clear and assess costs of this work to the property.

Flood Control Has—

(continued from page 1)
started in October, 1950. It was actually sufficiently completed, at the opening of this year's hurricane season, June 15, to have gone into action should there have been a hurricane.

Since Pump Station No. 7 forms the northwest corner of the 134,000-acre Water Conservation Area No. 2, its completion represents another major step towards the encirclement and completion of the big water storage area with levees and water control structures scheduled for next year.

Conservation Area No. 2 is also designed to receive storage water from the 141,000-acre Conservation Area No. 1 which was completed only last month.

School Board Will Save On Insurance

Palm Beach County School Board this week bought their insurance on bid after having used another method for many years. Milton Carpenter, school board Democratic nominee who has been attending the board meetings since he was nominated last May, said that he estimated the county will save in the neighborhood of \$45,000.00 on the contract. Mr. Carpenter's main platform plank in his race for office was that he would ask the board to advertise for public bids on the school board insurance.

Sheppard Wedding Plans Announced

Plans have been completed for the marriage of Miss Helen Amelia Sheppard, daughter of Mr. and Mrs. O. H. Sheppard of Canal Point, to Edwin P. DeLeon at the Canal Point Methodist church at eight o'clock on Friday evening, September 9, with the pastor, Rev. Robert Shelley, performing the ceremony.

Miss Hazel Sheppard, a sister of the bride, will be the maid of honor. Candido DeLeon, father of the groom, will be the best man. Bridesmaids will be: Miss Betty Echols of Pelican Lake, Miss Susan Johnson of Pahokee, Miss Joyce Spencer of Pahokee.

Ushers will be: Wayne Sears of Canal Point, Willie Veal of Canal Point and Lynn Corbin of Belle Glade. Miss Teryl Echols of Canal Point will be the flower girl. Miss Kathleen Spencer of Pahokee will be the pianist and Mrs. Ann Rita Turbeville of Pahokee will be the soloist.

No formal invitations are being sent. All friends are invited. A reception will be held immediately following the ceremony at the home of the bride.

Local Lions Join Palm Beach Co. Group

The Canal Point Lions Club at the weekly dinner meeting in the Community Building voted to join the Palm Beach County Association of Lions Club. Named to represent the local club in the association were President P. A. Slonaker, who will serve as a director, and James Gibson and Bill Gallick, delegates.

J. W. Repper, zone chairman and past president, gave a report on the Lions District 35 E cabinet meeting which he attended, together with President Slonaker and Secretary Alton W. Jones, at Stuart Sunday.

Revival Meeting At Church Of God

The Rev. Leslie Potter of Memphis, Tenn., is conducting a two-weeks' revival at the Church of God of Prophecy, 2500 E. Main St. Pahokee. Services are being held each evening at 7:45 o'clock, according to the Rev. John H. Kinard, pastor. Special music is furnished by the Harmonettes, a vocal trio composed of local girls, Miss Judy Concord, Miss Ila Concord and Miss Shirley Levins.

Funeral Services For Beatrice Stone

Funeral services for Mrs. Beatrice Crews Stone, 38, 1703 Boston Ave., Fort Pierce, were held at the First Baptist Church in Pahokee Friday at 10 a. m., with the Rev. James E. Boyd, pastor, officiating.

Mrs. Stone died at the Fort Pierce hospital the night of Aug. 16 after a long illness. A former resident of Pahokee, she had been living in Fort Pierce for the past two years.

Survivors include the husband, Arthur Stone, Fort Pierce; parents Mr. and Mrs. R. J. Crews, Pahokee; and one brother, W. M. Crews, Fort Lauderdale.

Burial was at the Port Mayaca Cemetery. Williams-Wetherington Funeral Home, Pahokee, was in charge of arrangements.

Last Rites Held For T. V. Finley

Funeral services for Thomas Virgil Finley, 68, of Pahokee were held at the First Baptist Church in Canal Point Tuesday at 10 a. m., with Elder Reuben Barfield, pastor, officiating.

Mr. Finley died at the Belle Glade Memorial Hospital Sunday morning after an extended illness. He had been a resident of the Pahokee-Canal Point area for the past 20 years, coming here from Pavo, Ga.

He is survived by his wife, Pearl; one son, Wilburn, Pahokee; one daughter, Mrs. Naomi Walker, South Bay; one brother, Albert, Dainelsville, Ga.; three sisters, Mrs. J. H. Hunt of Charlotte, N. C., Mrs. J. L. Ervin and Mrs. Naomi McCannan, both of South Carolina, and two grandchildren.

Burial was at the Port Mayaca Cemetery. Williams-Wetherington Funeral Home, Pahokee, was in charge.

Calling Shower For Miss Sheppard

The social hall of the Canal Point Methodist Church was the scene Thursday night of a calling shower honoring Miss Helen Amelia Sheppard, bride-elect of Edwin P. DeLeon.

Hostesses were Mrs. Earl Maxson, Mrs. J. P. Parker, Mrs. James Gibson, Mrs. Boyd Vorhees and Mrs. E. F. Hollon. White hibiscus blossoms, fern and palms were used in the decorations. Refreshments of cake, cookies and punch were served by the hostesses. Many lovely gifts were received by the honoree.

Birthday Party For Mrs. Jack Phillips

The home of Mr. and Mrs. J. T. Boynton on East Main Street was the scene Wednesday morning, from 10 to 12, of a coffee honoring Mrs. Jack Phillips on her birthday anniversary. Hostesses were Mrs. Boynton, Mrs. F. H. Poteete, Mrs. Paul Tillery and Mrs. Edgar Wilder. They were assisted with the decorative arrangements by Mrs. Frank Friend. A handsomely bound guest book containing photographs of party scenes was presented to the honoree by the hostesses. Refreshments were served to 50 guests.

Mrs. Phillips' mother, Mrs. L. W. Armstrong, entertained at her home 756 Bacom Point Road, Wednesday evening with a bridge party honoring her daughter. There were six tables of bridge in play.

On Thursday evening Mrs. Phillips was again honored at a dessert bridge held at the home of Mr. and Mrs. Ellis Wilkinson, 1515 East Main St. Hostesses with Mrs. Wilkinson were her sisters, Mrs. C. D. Wilkinson and Mrs. Richard Nason. Mrs. Phillips will return to Fairfax, S. C., Monday after a stay of several days at her home here. In the past she and her family have been making their home at Fairfax in the summer and at Pahokee during the farming seasons here from Sept. 1 to June 1. From now on their year-round residence will be at Fairfax, however, Mr. Phillips will continue to operate his plane crop dusting service at Pahokee during the Glades farming seasons.

Bible School Is Complete At Camp

Seventy-nine children attended the vacation Bible school conducted the past week at the Pahokee Farm Labor Center under the sponsorship of the Pahokee First Baptist Church, with the Rev. James E. Boyd, pastor, serving as principal.

Concurrently a revival was conducted by the Rev. B. J. Kinlaw of Belle Glade, mission pastor, at the farm center, with services each night during the past week. Confessions of faith in Christ were made by 19 persons during the revival.

ANDERSON CHASTAIN WILL RETURN HOME THIS WEEK

Anderson Chastain and Mrs. Chastain will return to their home in Canal Point this week end from a Philadelphia hospital where he has been undergoing treatment. Mr. Chastain suffered a heart attack several weeks ago and has been receiving special treatment in Philadelphia.
